Mr. Dean,

It should be clear that the main purpose of my letter is to increase relief for the class by reducing attorneys' fees. I would rather not speak with you on this matter, as I do not see how it can help with my objective.

Thank for making the documents available at this late date, but my objection stands.

Best regards,

Eric Veach

Dr. Veach,

I write in response to your May 20, 2015 letter to the claims administrator. I am an attorney with class counsel. First, I wanted to be sure you have class counsel's fee requests and supporting materials. I've attached the motions and declarations. Many of the exhibits are large, and those should be available through the case website later today (www.hightechemployeelawsuit.com). Please let me know if you do not receive them or cannot access them. We would not oppose an extension for you to ensure that you are able to review these materials.

Second, I would very much appreciate an opportunity to speak with you. Is there a time, perhaps tomorrow, that would work?

Best,

Dean Harvey
